

Little Explorers Nursery

Parental Involvement Policy

Reviewed 21/07/2015

policy Adopted 7/11/11

Parents are the first and primary educators of their children. The aim of Little Explorers Nursery is to support their essential work, not to replace it. We will:

- Make all new parents aware of the Nurseries systems and policies.
- Encourage parents on an individual basis to play an active part in the management of the Nursery.
- Ensure that parents are informed about their child's progress on a regular basis.
- Encourage all parents to have opportunities to contribute from their own skills, knowledge and interests to the activities of the Nursery.
- Involve parents in shared record keeping about their own child, either formally or informally.

Welcome the contributions of parents, whatever form these may take. Provide opportunities for parents to learn about Little Explorers Nursery's curriculum and about young children's learning, in Little Explorers Nursery and at home.
